PHYSICAL EDUCATION FORM

All students have physical education classes each week. For their safety, we require the students to wear tennis shoes or a shoe with a rubber sole that ties or has Velcro fastenings. Students without proper footwear will not be permitted to participate. Children should also wear non restrictive clothing that will enable them to take part in all activities.

The form below will acknowledge your understanding of our policy, as well as, make us aware of any physical limitations your child may have. It is the parent/guardian's responsibility to keep Montessori Children's Center updated in any changes to this form.

Please comment on any problem that would hinder your child's participation in Physical Education classes.
